Looking to expand upon your drafting and design experience in an office that's 20 minutes from the chairlift and 600 feet from the boat launch? Then our dynamic team of engineers and project managers wants to hear from you!

Who we are

With great projects and a fun-loving team, SCJ was named as both one of the nation's fastest growing and best places to work last year. We specialize in civil engineering, transportation planning & design, environmental & urban planning, landscape architecture & design, and public outreach. Our mantra "Anticipate. Envision. Create" captures our work environment and project approach.

At the Wenatchee office, we serve communities in North Central Washington and specialize in teamwork, blue jeans, and the great outdoors.
