

SCJ ALLIANCE

CONSULTING SERVICES

Design Engineer

Centralia, Wash.

Are you an EIT looking to hit the ground the running? If tractor parades, office ping pong, and team-building clam digs sound like home to you, then we need you on our civil engineering team!

Who we are

With great projects and a fun-loving team, SCJ was named as both one of the nation's fastest growing and best places to work last year. We specialize in civil engineering, transportation planning & design, environmental & urban planning, landscape architecture & design, and public outreach. Our mantra "Anticipate. Envision. Create" captures our work environment and project approach.

What you'll be doing

- **Supporting engineers and project managers on work that builds our Lewis County community.** Our civil team specializes in schools, medical facilities, senior care facilities, multi-family housing, and retail development.
- **Managing drawings and providing calculations.** You'll prepare and revise drawings from rough sketches, mark-ups, or general engineering and design information and put the finishing touches on them with labelling, layering, and sheet layout.
- **Site visits and observations.**

What you bring

- A passion for serving others, creativity, collaboration, and a commitment to high-quality work.
- Bachelor's degree in civil engineering or equivalent.
- EIT certification and the ability to get your PE in two years.
- 0 to 3 years of progressively responsible drafting and design experience.
- AutoCAD 3D, Civil3D, completion of Computer Aided Drafting (CAD) program preferred.

What we bring

- [An unbeatable culture!](#) Firm-wide campouts, [mugshots](#), gold-medal [costume competitions](#)... you'll love coming to work.
- [Quality projects.](#) We pursue work that improves communities, challenges us, and makes a difference.
- [Community involvement opportunities](#) and a charitable matching program
- Paid time off
- 401(k) matching
- Insurance plans tailored to your needs
