

Intern – Transportation Engineering

Seattle, Wash.

Small team. Big impact. With high-profile new projects already in the door and more in the pipeline, our downtown transportation team is moving Seattle forward. Are you ready to go? Our group size means you'll not only make your mark on the city, you'll be a significant part of the team.

Who we are

With great projects and a fun-loving team, SCJ was named as both one of the nation's fastest growing and best places to work last year. We specialize in civil engineering, transportation planning & design, environmental & urban planning, landscape architecture & design, and public outreach. Our mantra "Anticipate. Envision. Create" captures our work environment and project approach.

What you'll be doing

- **Work that keeps our region moving.** Our transportation team specializes in corridor design, highway framework studies and IJR, signalized and roundabout intersection design, downtown transportation revitalization projects, roadway/highway design, transit design, and stormwater design.
- **Preparing drawings and providing calculations.** You'll prepare and revise drawings from rough sketches, mark-ups, or general engineering and design information and put the finishing touches on them with labelling, layering, and sheet layout.
- **Site visits and observations.**
- **Learning from some of the best!** We're proud to have some of the top transportation professionals in the country right here at SCJ. From national program designers to statewide award winners to international roundabout experts, you'll learn from the best in the business.

What you bring

- A passion for serving others, communication, creativity, and a commitment to high-quality work.
- Junior-level or higher standing in civil engineering bachelor's program.
- 0 to 3 years of progressively responsible drafting and design experience.
- AutoCAD 3D and/or Civil 3D experience preferred.

What we bring

- [An unbeatable culture!](#) Firm-wide campouts, [mugshots](#), gold-medal [costume competitions](#)... you'll love coming to work.
- [Quality projects.](#) We pursue work that improves communities, challenges us, and makes a difference.
- [Community involvement opportunities](#) and a charitable matching program
- Paid time off
- 401(k) matching
- Insurance plans tailored to your needs
