## Leadership Thurston County Celebrates the Class of 2018

**L**eadership Thurston County (LTC) and the Thurston County Chamber Foundation are pleased to recognize members of the Class of 2018, the 24th graduating LTC class. Sponsored by The Wave Car Wash, the graduation program will be held June 13 during the monthly Thurston County Chamber Forum.

During the 10-month program, LTC class members met with local, community, and statewide leaders, learned about issues surrounding South Sound communities, expanded networks and resources, and explored numerous opportunities to get involved. Topics ranged from business and economic development to environmental issues, education, and health and human services. Site visits included tours of local businesses, schools, public agencies, and non-profit organizations.

MANY THANKS to Graduation Sponsor The Wave Car Wash, all the employers who sponsored participants, local leaders who contributed to the monthly sessions, LTC Sustaining Trustees and Board of Regents, and the Thurston County Chamber for all their outstanding support during the past LTC year!

Are you an alumni of Leadership Thurston County? Join us after graduation for an all class reunion from 4-7pm at River's Edge! Meet the newest alumni, reconnect with your class, and enjoy an evening of leadership connections. Complimentary appetizers provided, no-host bar. •

### *Congratulations, Graduates!*
