Project Engineer

Wenatchee, Wash.

Looking to expand upon your design experience in an office that's 20 minutes from the chairlift and 600 feet from the boat launch? Then our dynamic team of engineers and project managers wants to hear from you!

Who we are

With great projects and a fun-loving team, SCJ has been named as both one of the nation's fastest growing and best places to work. We specialize in civil engineering, transportation planning & design, environmental & urban planning, landscape architecture & design, and public outreach. Our mantra, "Anticipate. Envision. Create" captures our work environment and project approach. At the Wenatchee office, we serve communities in North Central Washington and specialize in teamwork, blue jeans, and the great outdoors.

What you'll be doing

- **Leading projects ranging from roads, parks, and trails.** This is a great opportunity to use your experience, including stormwater knowledge, to help build our North Central Washington communities.
- **Working with the community.** We're looking for someone who can work with current and potential clients to make their projects a reality and the community a better place for all of us.
- **Growing as a professional.** You'll get to expand your experience and become diverse as you become a part of the visioning process through construction punch lists.
- **Collaborating with some of the best!** We're proud to have some of the top transportation professionals in the country right here at SCJ. From national program designers to statewide award winners to international roundabout experts, you'll learn from the best in the business.
