

SCJ ALLIANCE

CONSULTING SERVICES

Senior Designer

Wenatchee, Wash.

Looking to expand upon your design experience in an office that's 20 minutes from the chairlift and 600 feet from the boat launch? Then our dynamic team of engineers and project managers wants to hear from you!

Who we are

With great projects and a fun-loving team, SCJ has been named as both one of the nation's fastest growing and best places to work. We specialize in civil engineering, transportation planning & design, environmental & urban planning, landscape architecture & design, and public outreach. Our mantra "Anticipate. Envision. Create" captures our work environment and project approach. At the Wenatchee office, we serve communities in North Central Washington and specialize in teamwork, blue jeans, and the great outdoors.

What you'll be doing

- **Supporting engineers and project managers on all kinds of projects.** We're a multidisciplinary firm, meaning you may work on a transportation project one day and a landscape architecture project the next, or enjoy time in the field on a construction inspection.
- **Originating and developing design concepts.** We're looking for someone who can assist engineers and project managers in designing and bringing ideas to life.
- **Managing drawings and providing calculations.** You'll prepare and revise drawings from rough sketches, mark-ups, or general engineering and design information and put the finishing touches on them with labelling, layering, and sheet layout.
- **Mentoring less experienced designers.**

What you bring

- A passion for serving others, creativity, collaboration, and a commitment to high-quality work.
- 2+ years of progressively responsible drafting and design experience.
- High school diploma. Completion of Computer Aided Drafting (CAD) program preferred.
- AutoCAD 3D experience with corridors, grading features, pipe networks, and plan preparation.

What we bring
